A Letter from the Captain

Attention Company!

At Ease!

Well, it's all coming down to the second half of the year. I hope it goes a lot better than the last few months. We had our drill weekend at

Endview. It was hot, but we made out. Thanks to all who came out. We had a good time, as usual.

And we learned some new things. Our next event is Civil War Days on September 10-12 at the Chesapeake Library. I would like to see this as a **MAX**

PARTICIPATION event for the company. We will be camping Confederate, but for those of us with the blue, we will be doing blue for the battle. We have a lot of new guys in the company. Please bring any extra gear you have to share with them. These type of events are usually great. A relaxing weekend, camaraderie, and it is a great advertisement for what we do. But it doesn't work without your support. Then we have Cedar Creek on October 15th. From the way it looks now, we will have a great turn out. Also, after Cedar Creek we have the Ghost Walk coming up the next weekend (Oct 22-23). We need your support for this event to be a success. It's a lot of hard work and a lot of planning is involved. There is plenty for all to do. I need your help. Well, I look forward to seeing you all in Chesapeake. Take care of your selves and your

families. I hope you are doing better Tony!

I remain your obedient servant, sirs!

Powder Order

As you probably know, powder is getting rare and getting expensive. To help out,

the company will be placing an order for powder on September 13th. If you wish to order, please get the money to Capt. Smith no later than September 12th. There will be no CODs and NO EXCEPTIONS!! The cost is \$10 a pound. There is a 2-pound minimum per person. We have to order at least 25 pounds at a time.

IMPORTANT NOTE

As of next Wednesday, August 18th, I will be closing our checking account due to the fact that Suntrust has started charging us a \$12.00 a month service charge. Until further notice, please make any checks payable to me, Billy Smith, until I get things straight for the account. I am working on a possible deal now.

UNIT DIRECTORY

There have been many attempts to create a new unit directory of names, addresses, and e-mail and phone numbers. The problem is, every time we ask for updated information, no one seems to respond. Yet, you'll be the first one to piss and moan when you miss something - "No one told me". Hey, you know who you are! So, please provide your current address, phone number, and e-mail address, if you have one, to either Mark or me. My e-mail address is:

Keydet74@cox.net.

Mark's is:

Markd32nd@yahoo.com

We have some info on some of you, but it is a short list. So

please, everyone, drop us a line.

Ghost Walk Website

Mark has thrown together a prototype website for this year's Ghost Walk. He would appreciate it if you would take a look at it and give him your feedback. How fast does the page load? Does the music play OK? Is the writing too small?

His concept is this site would just be a quick page that websites such as Endview's could link to to provide the what, where and when information about this event. Any other ideas you may have about this site would be appreciated. The site is:
