## A Letter from the Captain

### Attention Company!

#### At Ease!

I guess we all know by now that the weather isn't co-operating with our plans! At least we caught a break in that we didn't have to

prepare for the spring event with this bad weather. Battalion drill weekend was cancelled due to the weather and both Tommy Mullen and I see no time feasible to re-schedule the drill weekend.

Our next event is 140<sup>th</sup> Appomattox, April 8<sup>th</sup> - 10<sup>th</sup>. Good timing, as the actual surrender date was April 9, 1865. Hopefully you are all ready to get into the swing of things. Bring plenty of rounds and be prepared to do a lot of walking. There will be a company meeting on Saturday night. We will discuss the company work weekends for the summer event at Endview in June. We will also discuss the up-coming events for the rest of the year. Speaking of Endview, those of you who have cabins, please attend to them. Clean them up and make any repairs needed after the winter. While you are at it, clean up any thing that you see that needs cleaning up in the area. Remember, Endview is a tourist area and we must make every effort to maintain our property accordingly. There are 32 folks signed up for this event, so we should have a great turn out! I

look forward to seeing you at Appomattox.

Now the bad news - there are still some people who have not paid their dues. As the company dues money pays for your event registration, if you want to participate in these events, get your dues in now. This includes those of you who signed up for Appomattox, but haven't paid your dues. Again, you know who you are so get the money in now.

I need to know if you are not getting calls from your NCOs. This is the method we are using to get the word out, so if you have not been getting called, please call me at 242-9675 - I need to know about it.

Powder - we may be possibly looking into another powder order. More information on this will be coming out as it develops.

If you have any issues or concerns regarding the company, please call me. We don't need disgruntled troops in the ranks!

I remain your obedient servant,  
sirs!

Capt. B. R. Smith
